SHARE LENT 2017

Women at the Heart of Change

“Get up and do not be afraid.” The message today is of how God, revealed to us, brings hope and promise. Yet, sometimes it is hard to have such hope after facing disaster. In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims. In collaboration with its partners, Development and Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations.
