The Church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their effort to share the Faith with their children. At Baptism parents make a solemn commitment to raise their children "In the practise of the Faith". Families are expected to actively participate in the life of the Church, especially in the Sunday Mass.

Parents support PREP by:

- participating in parent sessions and working with their children at home
- ensuring their children attend class regularly and arrive on time
- ensuring children complete their assigned work
- Cooperating with the Catechists and Pastor to promote the best possible learning experience for their children.

I understand these expectations and will do my part to support the Parish Religious Education Program.

I consent to having Saint Bernadette PREP office collect personal information that may include student identification information, baptism, reconciliation and communion certificates, catechism records, parent contact information, health information as provided by the parent/guardian, emergency contact information and similar information required for registration.

I consent to having Saint Bernadette PREP photograph my child for a classroom photo and for Sacramental years: an individual photo for display in the parish or church and a group photo.

SAINT BERNADETTE

It is important to see our Religious Education Program as a continuation from kindergarten through to level seven. If a child misses one year in the program, then he/she misses out on a whole segment of the curriculum that will not be repeated in another year. We encourage you to be conscientious about having your child/ren, attend each year, not just those years when specific sacraments are celebrated. Our Sacramental years include levels 1 and 2 and 6 and seven. Levels 1 and 6 are focused on preparation and the Sacraments are received in levels 2 and 7.

We are a welcoming community devoted to our Catholic faith through our participation in the Holy Eucharist and the other sacraments.

As we journey together, we work to spread the good news of Jesus Christ, foster spiritual growth, and reach out to those in need.
