The Church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assist them in their effort to share the Faith with their children. At Baptism, parents make a solemn commitment to raise their children “In the practice of the Faith”. Families are expected to actively participate in the life of the Church, especially in the Sunday Mass.

Parents support the religious education curriculum by:

- Participating in parent sessions and working with their children at home
- Ensuring their children attend class regularly and arrive on time
- Ensure children complete their assigned work
- Cooperating with the Catechist and the Pastor to promote the best possible learning experience for their children.

I understand these expectations and will do my part in cooperation with the Parish Religious Education Program.

*I consent to having St. Bernadette Parish PREP office collect personal information that may include student identification information, baptism, reconciliation and communion certificates, catechism records, parent contact information, health information as provided by the parent/guardian, emergency contact information and similar information required for registration.*

*I consent to having photographs of my child(ren) used by St. Bernadette PREP for a classroom photo and or individual photo that may be used for display in the Parish Hall or Church.*

This information is required to register your child in PREP and allow us to respond to an emergency. For more information, please contact the PREP office at 604-596-1833 or [prep@stbernadette.ca](mailto:prep@stbernadette.ca)
